Onward--Without Fear

Fear is useless; what is needed is trust.

We know this truth in our head, but when the circumstances of life become daunting and frightening, it is so difficult to actually live it! Sometimes, we operate out of fear without even realizing its effects. In this talk, Patty discusses the nature of fear and shares some practical tools to dispel the darkness and live in the light! With faith, hope, and love, you too will be able to say,

"Jesus, I trust in you! ...Onward!"

Followed by time to connect with other Catholic women and browse materials to further grow in your faith!
